

Stop the Dump in Sunol Petition

We OPPOSE the proposed development of a **SOLID WASTE/COMPOSTING FACILITY** in the **SUNOL Valley**. This **NOISY, FOUL and POLLUTING** facility will have significant, adverse and **UNMITIGATABLE** impacts on neighboring residences, businesses, school, property owners and environment. It is a **FUNDAMENTALLY INCOMPATIBLE** land use. As a matter of sensible planning, **ACWMA** should **CO-LOCATE IT'S COMPOSTING OPERATION** at the existing **ALTAMONT LANDFILL**.
